

# Cleveland Junior Duathlon Race Information

**Please do not enter your child into this event until you have read and agree to the following race information, see map also**

**Date:** Saturday 18<sup>th</sup> May 2019

**Registration:** 1pm-2pm

**Event Time:** 2pm-4pm

**Location:** Prissick Cycle Circuit, Middlesbrough Sports Village, TS4 3AE

**Cost:** £7

**Facilities:** Free parking, Toilets, Refreshments, First Aid

**The event is only open to children between 8 and 14 year's old**

The BTF distances are as follows (approx.):

Age 8	400m Run – 1500m Bike – 200m Run
Age 9-10	1200 Run – 4000m Bike – 400m Run
Age 11-12	1600 Run – 6000m Bike – 600m Run
Age 13-14	2000 Run – 8000m Bike – 800m Run

The actual distance will work with in the guide lines of the BTF, the first run in each age group will be slightly short to account for the run through transition.

**Please familiarise yourself with the new course – You are responsible for counting your own laps**

**As of October 2018 the region decided that all events within the regional grand prix must have gear restrictions (depending on age). It would save a lot of time is the children's bikes could be gear restricted *before* you arrive at the event. However, we will have someone that will check every child's bike *before* registration. When you get the bike checked you will be given a star, you *cannot* register if you do not have this star.**

When registration is over the first wave which will be TriStart will be called to the gate (competitors only), please come with **ALL** your race equipment, you will then be led by marshals to the transition area where you will rack your bikes. You will then go to the start area and given the following briefing:

“Start the race at the chequered flags and run around the top circuit (dark green on map) for the required number of laps. Enter the transition zone across the grass as directed. Collect your bike and leave out the opposite end of transition; mount when directed by a marshal. Complete your required number of full bike laps (i.e. one full lap will be back the where you started the bike course) you will then have a half lap to complete to get you into T2. Enter T2 via the marshal, be sure to be ready to dismount at the line, and run your bike back to the racking. **IMPORTANT:** You then need to run to the turnaround cone, go around the cone then return to the run out marshal, run back around the track the same as your first run but keep to the **right hand side** of the cones as you are running past the finish. On your **final lap** run to the **left** of the cones to the time keeper. You will finish where you originally started.”

When all competitors understand the course, they will be started off.

When the competitors finish the course they will be asked to wait on the grassed area near the start/finish until a marshal takes them to collect their bikes and guide's them back across the track. We will endeavour to get them back as soon as possible but there might be a short wait, it would be great if in this time the children encouraged the children who are still competing. It might be useful if the competitors brought over a jumper to leave in the start/finish area to pull on when they have finished. Water, medals and goody bags will be given out in this area.

Please be vigilant as to which wave we will be calling next so as not to cause any undue delays.

**IMPORTANT:** Parents and responsible adults will **NOT** be allowed through the gate onto the track **AT ANY TIME** during the event (common sense prevailing). This is an area strictly for competitors and marshals. You will check a box to say you agree to this at the time of entry. Also, **NO** competitor is allowed on the track at any other time than when they are competing. There is ample spectator space along the trackside behind the gate. You can also view a lot of the bike course by following the path alongside the track outside the fencing.

**Exceptions:** We are an Athletes with disabilities inclusive club and welcome athletes with disabilities to our event. If your child has special need's, please e-mail [paigemc13@hotmail.co.uk](mailto:paigemc13@hotmail.co.uk) and discuss how we can take care of the needs of your child **before** the day of the event.

**Other Information:**

This event filled very quickly last year and to accommodate more entries the boys and the girls in the age groups 9-10 and 11-12 **ONLY** will potentially race separately, unless we get less than 13 entries in each category.

Trophies will be awarded for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> in each category and a presentation will take place as soon as possible after the event.

All competitors will receive a finish time and the results will be posted on the web site as soon as possible.

Please familiarise your child with basic rules of duathlon before the event. They must ride to the left of the track unless overtaking. This is especially important at the top of the bike course as the course considerably narrows to accommodate for runners and cyclists.

**Cycling in the spectator area is prohibited, if anyone is caught riding in this area they will be disqualified, please save your energy for the race!**

**If you have any questions or concerns about this event, please e-mail [paigemc13@hotmail.co.uk](mailto:paigemc13@hotmail.co.uk) before the day.**

**Finally, online entry is available at [www.britishtriathlon.org](http://www.britishtriathlon.org) until 14 days prior to the race.**

**PLEASE SCROLL DOWN FOR ADDITIONAL INFORMATION**

<b>Category</b>	<b>Run 1 Laps</b>	<b>Bike Laps</b>	<b>Run 2 Laps</b>
TriStart	1	1.5	1
TriStar 1	4	3.5	2
TriStar 2	6	5.5	3
TriStar 3	8	7.5	4

## **Parental Conduct**

**Parents, guardians or accompanying adults must conduct themselves in a proper manner and failure to do so may result in disqualification of the competitor. As per rule 22.8 of the British Triathlon Rule Book misconduct by parents, guardians or accompanying adults may include, but is not limited to:**

- Threatening, abusive or insulting words or conduct. This could include over-zealous support and shouts of encouragement.**
- Failure to obey marshals / officials instruction**
- Tampering with equipment of others**
- Unsporting impedance**
- Handing water bottles or any other equipment (including inhalers) to, or collecting them from, competitors.**

**Failure to do so may result in the child's disqualification from the race and further disciplinary action being taken against the parent or accompanying adult by British Triathlon.**
